Cancellation of League and Competition Programme 2020

In light of the latest Government and Bowls England advice regarding the Coronavirus (COVID-19) outbreak, the CMBL Committee has decided, after careful consideration, that the League and Competition (Singles; Pairs; and Team KO) Programmes including President's Day are cancelled in their entirety for the 2020 Season.

Although all will be disappointed at this curtailment of our CMBL bowling, I am sure you all agree that all of us would be failing in our responsibilities if we did not implement the advice in an effort to reduce the spread of this deadly virus.

Any arising administrative matters will be dealt with as usual, and any queries should be emailed to me.

Further newsletters will be issued as necessary.

It would assist me if Clubs would confirm receipt of this notification.

Keep Healthy

Regards

Alan Smith (Hon Secretary Central Midweek Bowling League (CMBL))
